BY: Kevin Hart, P.E.  
District Director

Project Summary: Following a declared disaster, Contractors will cut and/or remove storm related trees, brush, branches, trash, etc. from water's edge to water's edge in drainage canals and ditches located within the District boundaries and transport materials to Debris Management Site. Contractor must be available to begin work 24 hours after the storm has left the area and be available to continue working for 70 working hours over the period of time as directed by the District. There is no charge for the Project Documents.
