District Director

**PROJECT SUMMARY:** This project includes the conversion of one (1) oil lubricated pump to water lubricated. The stormwater pump is 36" in diameter. The project is located at the South Broward Drainage District's S-4/S-5 Pump Station in Miramar, FL. The bidder must have converted at least two (2) oil lubricated pumps to water lubricated pumps, thirty (30) inches or larger within the past 3 years. Call SBDD Project Manager, Joe Certain (954) 680-3337, ext. 208 with any questions. There is no charge for the Project Documents. There is no set budget and there is no bond required.
