BY: Kevin M. Hart, P.E.
District Director

PROJECT SUMMARY: This project is to install one (1) 63" diameter HDPE Culvert Slip-Liner in Pembroke Pines. The bidder must have slip-lined at least one (1) pipe 42" in diameter or larger in the past five (5) years. The pipe diameter of the existing culvert is 72" CMP and the length of the culvert is 70 LF. The Contractor will be required to inspect, and clean the culvert as needed to prepare the host pipe. The existing culvert is underwater. There is no set budget and there is no bond required.
